PRESIDENT'S REPORT - 1987/88 SEASON

It is with a great deal of pleasure that I present to you the Sixth Annual Report of the Blacktown City & District Cricket Association.

Once again, the Senior Competition was larger this year with ten grades being played. One of the disappointing aspects of the season was the drop off in the numbers of Junior Teams. However, there was a pleasing aspect about even this disappointment, Blacktown Association only lost a few teams, when some Associations lost up to 25% of their teams, both Junior and Senior.

The Association has again been well served by a very diligent committee, with many hours of hard work being delivered, to provide the good domestic competition that has been provided to the clubs.

Congratulations to all the representatives, coaches and managers, along with their teams. Blacktown surprised many more established Associations, with some very good play and the will to win. The Telegraph Shield team won, the first representative competition for the Association, with the weather causing upsets in the other grades. Unfortunately, we were dealt a hard line because of percentages this season, but the same might go our way in the future, you cannot keep putting off games because of the weather.

Congratulations to the three boys selected by the N.S.W. Cricket Union, to train in the State Squad. This is a great achievement and I feel that it won't be long before many more of our boys start making their way into the State teams.

We started playing on the turf wicket this season with a mixed amount of success. The pitch is still very new and soft and will need a season or two to start playing true, this year being a real bowlers' delight.

I must thank Council for their continued support in providing grounds for us. However, we may have to look at playing some games on Sundays if we continue to grow, quicker than grounds become available. It is not the Association's wish to do this, but we could be forced to.

The Umpires have again supplied a growing number of umpires to control the games and we must thank them for this. There are many junior and retiring players taking on the role of the man/woman in black and white and doing a very good job. Well done Umpires.

Congratulations to all the winning teams. It was a very good season with many top individual performances. All the best to the teams who missed out this season. Hopefully, this

year will be your turn to reap the rewards of the hard work needed to win a competition.

Once again we have had problems with alcohol this season. Thankfully, not so much by players participating in the game, but by spectators who have been at the games and have proved to be an embarrassment to themselves and to their clubs. Hopefully this undesirable aspect will soon be eliminated from our Association.

I will again be standing for the position of President at the coming elections. I am looking forward to a season that can boast of improvement as has been seen with the current committee and those of the past. With that I sincerely thank the Clubs and Associations for their support in the past and I look forward to the approaching season with a renewed feeling of enthusiasm for progress.

Yours in Sport,

DARRYL CHANNELLS.

SECRETARY'S REPORT - 1987/88 SEASON

Mr. President, Ladies and Gentlemen.

I present to you the 1987/88 Annual Report of the B.C.D.C.A.

I am pleased to report that again, as an Association, we can be proud of our achievements in the past season although our records show a drop in players' registrations, both in Senior and Junior competitions. This seems to be apparent, not only in the Blacktown Association, but also with most districts and it is fair to say that Blacktown Association may have dropped in numbers but not as much as other Associations.

The Association is concerned about the number of teams in the U/16 Competition and will take a very long look at what can be done for the incoming season. I am happy to report that the standard of cricket was good and it is pleasing to see. Also, the number of protests has dropped. All thanks must go to Club Captains and Club Committees for their support.

Blacktown Association entered U/10, U/12, U/14, U/16 and a team in the Telegraph Shield Inter-Shell N.S.W.J.C.U. Competition. I am happy to report that all teams played well and we are proud of the standard of cricket.

Congratulations go to the Blacktown U/10 Foster Shield, who went through to the Final, only to miss out by a few runs. Well done boys and thanks to coach Kev Davis and manager Kim Jeffreys.

U/14 Moore Shield were very unlucky not making the Semi-Finals due to their game being a wash out and to a misunderstanding, for want of a better word, of rules by the N.S.W.J.C.U.

U/12 congratulations to all players. You can be very proud of your performance. U/16 well done boys. Not playing on a turf wicket in competition round one makes it a new ball game.

Congratulations to B. Potter (1987/88 Foster Shield), S. Falls (Foster Shield) and D. Simms (Moore Shield) for taking out the N.S.W.J.C.U. Competition individual awards.

A special thanks to Telegraph Shield who went through the competition without recording a loss. To all players, coaches and managers, it makes us very proud to be part of such a fine display of cricket. I can assure you that sitting in the grandstand (or maybe one should say hot footing it up and down the grandstand), it was a nerve-wrecking experience. It was a Final that could have gone either way in the last few overs. Next year boys make it a bit easier on your supporters.

To all award winners and team premiers, my

congratulations and my thanks to the B.C.D.C.U.A. for the way they carried out their duties and special thanks to the Junior Umpires.

My thanks to all Committee Members for their help and support.

This year we are sorry to see Les Sutcliffe leave us. Les has been a very good worker for the Association and we owe him a great deal of thanks for his six years of hard work for the district.

Thanks mate for all your support. This Association will miss not having you around. Good luck.

Thanks to Blacktown Council for their support. Now we have our own turf wicket, this will put us one more step closer to grade.

A very special thanks to Sandra and Chris, two young ladies that are responsible for typing letters and association minutes each week. Without their help it would have only made this job a lot harder.

Good luck in the 1988/89 season.

Yours in Cricket,

DAVID S.W. MEARNS.
